Servicemembers' Group Life Insurance (SGLI) is a program of low cost group life insurance for Servicemembers on active duty, ready reservists, members of the National Guard, members of the Commissioned Corps of the National Oceanic and Atmospheric Administration and the Public Health Service, cadets and midshipmen of the four service academies, and members of the Reserve Officer Training Corps. This process model, which includes Traumatic Injury and Family insurance, depicts how VA manages life insurance for Servicemembers and pays associated claims.
