

The Office of Operation, Security, and Preparedness (OSP) will design, construct and maintain a single office responsible for collecting, analyzing, and disseminating information to VA leadership, and ensure VA can fulfill its role to serve as a primary back up to the DOD Military Health Care System during war or national emergency, and to assist other federal agencies in providing medical and other services during natural disaster or terrorist attack.

Description: This is a view of the systems, services, and organizations that support MI 9. The primary systems and services with respect to the scope of MI 9 are internal systems, all other non-VA agencies, systems and services are considered external.
